

This branch is closing – but we’re still here to help

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Allestree branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to barclays.co.uk/waystobank to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

We contacted the following groups:

MP:

Pauline Latham

Local council:

Derby City Council

Customers:

A number of customers who regularly use the branch

We asked each of the groups 3 questions – here's what they said:

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There were few concerns raised about the closure or any potential impact on the local community.

We'd like to say:

While the potential impact of the closure is small, we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to our branch, and many customers already use nearby branches and Online or Telephone Banking.

Everyday banking can be done at the Post Office in Allestree – it's open Monday to Friday between 9am and 5.30pm, and on Saturday between 9am and 12.30pm. We're working with staff at the Post Office and we're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

There are cash machines nearby at the Post Office, Co-op and Wilko – all are free to use.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

Customers, although sad to see the branch close, felt confident that this will have a positive impact on the local Post Office.

We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through telephone banking. We've made sure customers are familiar with using their local Post Office, too.

For anyone who's able to travel, the nearest branches are in Derby on St Peters Street and Sir Frank Whittle Road. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles in our branch, to help customers adapt to new ways of banking – so they don't have to come into a branch as often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly elderly customers who might find it difficult to get used to digital banking.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including mobile and online banking – and telephone banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs, and we're helping everyone remain vigilant against fraud.

Other things that could help

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip.

Both business and personal customers can pay in cheques. You'll need

1. A pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch.
2. A paying-in envelope. We have extra stock in the Allestree branch, so please call in before the closure to pick some up. Otherwise, just call 0800 169 3091 for these, and we'll pop some in the post.

You will need to allow an extra two days for cheques to reach your Barclays accounts.
