

This branch is closing – but your bank is always open

Our Tenbury Wells branch is closing

Branch closure feedback and alternative ways to bank.

Sharing branch closure feedback

We're now nearing the closure of the Tenbury Wells branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP

Harriet Baldwin

Local Council

Town Clerk, Tenbury Town Council

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are some concerns that the decision to close the branch, and leave the town with only one bank, is not in keeping with the recent development of the town and will not serve it in the future. The ATM is busy, particularly at weekends.

We'd like to say

We understand the concern from the community, and we are glad to see the new developments in the town. However, we'd like to reassure the community that, before our decision to close, we looked very carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

To retain a community focus and ensure trade remains in the local area, we are explaining to customers how to do their everyday banking at the Post Office, which is open between 7:00am and 8:00pm six days a week and from 10:00am until 4:00pm on Sundays. We're also helping customers understand the transactions they can do there. We're talking to customers about how they can do their banking from home too.

There are free to use ATMs at the TSB and Tesco which are very nearby, with another at the Co-op a little further away.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are some concerns about customers who may depend on the branch – for example, elderly customers and people who may find it hard to travel. Public transport links are not good and many of our customers prefer face to face contact.

We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with the Post Office arrangement too, so that they can bank face to face .

For customers who are able to travel, the nearest branches are at Ludlow and Leominster. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have run 'Tea and Teach' events at the branch to show customers other ways to bank, as well as how to set up a regular payment and order cards and PINs. We are contacting regular users of the branch to make sure they have alternative ways of doing all their banking. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Tenbury Wells branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

You will need to allow an extra two days for cheques to reach your Barclays accounts.
