

This branch is closing – but we're still here to help

Our Aylesbury Gatehouse branch is closing
on Friday 7 December 2018.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Aylesbury Gatehouse branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Kim Mezoui, your Community Banking Director for Harrow Edgware & South Bucks.

Email: kimberley.mezoui@barclayscorp.com

We contacted the following groups:

MP:

David Lidington

Local council:

Aylesbury Town Council : Councillors
Anders Christensen, Tuffail Hussain and
Graham Moore

Customers:

A number of customers who regularly use the
branch

We asked each of the groups 3 questions –
here's what they said:

**In your opinion, what's the biggest effect that
this branch closing will have on your local
community?**

You said to us:

There are some concerns that the branch
closure may have an impact on the community
– customers have said they'll miss their local
Barclays branch.

We'd like to say:

We understand the concerns about the
closure – and we'd like to reassure everyone
that, before deciding to close, we looked very
carefully at how the branch is used. We've
seen a general fall in customers coming to
this branch, and many customers already use
nearby branches and Online or Telephone
Banking.

To maintain a community focus, we are
explaining to customers how their everyday
banking can be done at the Post Office in
Meadowcroft – it's open every day between
6am and 11pm. We're working with staff at the
Post Office and we're helping our customers
understand which transactions they can do
there, and offering them support through this
transition.

There are cash machines nearby at Lloyds,
Petrogas and Aldi – all are free to use.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were some concerns that the lack of parking at nearby branches could make it difficult for some customers to travel to do their banking there. There were also concerns about what would happen to staff at the branch after it closes.

We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're also making sure customers are familiar with using their local Post Office too, and we're accompanying them to the Post Office if they're happy for us to do so.

For anyone who's able to travel, there's a branch less than a mile away in Aylesbury Market Square, and although there are no parking facilities at the branch, there are a number of public car parks available nearby. Our branch in Princes Risborough, although further away, has free on street parking. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles in our branch, to help customers adapt to new ways of banking – so they don't have to come into a branch as often and also home to bank from home.

We'd like to reassure the community that all the staff are being relocated to nearby branches, and customers will be able to see them when they visit those branches.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including mobile and Online Banking – and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs, and we're helping everyone remain vigilant against fraud.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN. Customers can also pay in cash using a pre-printed paying-in slip.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Aylesbury Gatehouse branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques or cash deposited using a pre-printed paying-in slip to reach your Barclays accounts.

*Lines are open 24 hours a day, 7 days a week
