

## This branch is closing – but we're still here to help

Our Royal Wootton Bassett branch is closing  
on Friday 27 July 2018.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Royal Wootton Bassett branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

### We contacted the following groups:

**MP:**

James Gray

**Local council:**

Royal Wootton Bassett Town Council, Town Clerk Jonathan Bourne, and Wiltshire County Councillors Mollie Groome, Mary Champion and Chris Hurst

**Customers:**

A number of customers who regularly use the branch

### We asked each of the groups 3 questions – here's what they said:

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

The town has already lost several retailers and service providers and there are some concerns that another loss could mean people will migrate to other neighbouring towns with more amenities. There are also concerns that residents will be left without the ability to pay in cash, cheques or do their banking as usual.

**We'd like to say:**

We understand the concerns about the closure – and we'd like to reassure everyone that before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and online or telephone banking.

To ensure a community focus is maintained and that trade remains in the local area, we are explaining to customers how their everyday banking can be done at the Post Office in Royal Wootton Bassett – it's open Monday to Saturday between 9am and 5.30pm. We've been liaising with the Post Office and we're helping our customers understand which transactions they can do there, and we have been offering them support through this transition.

There are cash machines nearby at Lloyds, TSB and My Local – all are free to use.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch, particularly the elderly or those who find it difficult to travel.

#### We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through telephone banking. We've made sure customers are familiar with using their local Post Office, and we're accompanying them to the Post Office if they're happy for us to do so.

For anyone who's able to travel, the nearest branches are in West Swindon and Swindon. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles in our branch, to help customers adapt to new ways of banking, including explaining how they can bank from home, so they don't have to come into a branch as often.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who aren't confident with banking online.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including mobile and online banking – and telephone banking for those who prefer to speak to someone.

We've run 'Tea and Teach' session at the branch and neighbouring branches to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs, and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

### Other things that could help
