Branch closure feedback and alternative ways to bank.

Sharing branch closure feedback

We're now nearing the closure of the Shanklin branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP

Bob Seeley

Local Council

Cllr S Janeway, Shanklin Town Council
Cllr C Quirk, IOW Council, Shanklin South
Cllr M Beston, IOW Council, Shanklin Central
Cllr D Stewart, Leader of the Council

Local groups

Isle of Wight Women's Institute
Isle of Wight Against Scams

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There were some concerns about the effect of the closure on the community. The IOW Against Scams group hoped that we would still be available to support them in their work to educate the community against fraud.

We'd like to say

We'd like to assure the community that before our decision was made we looked carefully at how this branch is used. Many customers already also use nearby branches and online or telephone banking and we've seen a general fall in customers coming to the branch.

We will continue to support the anti-fraud initiatives in the community, and carry on running 'Tea and Teach' sessions where needed and to help people remain vigilant.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There was general acceptance that the closure is a response to the rise in internet banking. However, there were some concerns about elderly customers, and also about the branch staff.

We'd like to say

We're speaking directly with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes telephone banking to speak to someone in person. We have made sure they're familiar with banking arrangements at the nearby Post Office, which is open from 8:30am until 5:00pm six days a week. Customers will be able to do most everyday transactions there, and will be well-supported by Post Office staff. We have helped some customers with guidance during quieter times at the Post Office when queues are less likely.

Our staff will all be working elsewhere after we close, so customers will see them at our other branches.

For customers who are able to travel, the nearest branches are at Newport and Ryde. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch so often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

Customers will need help if they are to adopt new banking methods.

We'd like to say

We've encouraged customers to use other ways to do their everyday banking, including Mobile and Online Banking – and Telephone Banking if they would prefer to speak to someone. We have run 'Tea and Teach' events at the branch and in the community to show customers other ways to bank, as well as how to set up a regular payments and order cards and PINs. We will continue these where needed. Support is also available through our telephony and website services.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip, although it could take an extra two days to reach Barclays accounts using a paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Shanklin branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.
