

This branch is closing – but we're still here to help

Our Usk branch is closing

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Usk branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

We contacted the following groups:

MP:

David Davies

Assembly Member:

Nick Ramsay

Local council:

Town Clerk Usk Town Council

Customers:

A number of customers who regularly use the branch

We asked each of the groups 3 questions – here's what they said:

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are some concerns about the effect the closure may have on the community, particularly as it's the last bank with an external cash machine in the town. There were also concerns raised when at the same time as our closure announcement, the Post Office in Usk also announced it would be closing.

We'd like to say

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and online or telephone banking.

The Post Office have given assurance that they are committed to providing a service in Usk. They are working to find a solution as soon as practically possible, and the Post Office is remaining open for now.

We are therefore explaining to customers how their everyday banking can be done at the Post Office in Usk – from 1 October it will be open Tuesday to Friday 9am to 1pm and 2pm to 5.30pm, and on Saturdays 9am to 1pm. We're working with staff at the Post Office and we're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition. If the Post Office were to close in the future, we would be willing to support the residents by running 'Tea and Teach' sessions again in Usk.

There are alternative cash machines nearby at Co-op, One Stop and Londis – all are free to use.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel further, and local business who rely on the branch for their cash transactions.

We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through telephone banking and there's our Welsh speaking call centre for our customers who speak Welsh. We're also making sure customers are familiar with using their local Post Office, too.

We've let our business customers know about other ways to withdraw and pay in cash, including Barclays Collect, our cash collection service, and the services available to them at the Post Office.

For anyone who's able to travel, the nearest branch is in Cwmbran. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles in our branch, to help customers adapt to new ways of banking – so they don't have to come into a branch as often and can continue to bank when the nearest branch isn't open.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who may have concerns about banking online.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including mobile and online banking – and telephone banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, pay in cheques and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs and we're also helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN. Customers can also pay in cash using a pre-printed paying-in slip.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Usk branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques or cash deposited using a pre-printed paying-in slip to reach your Barclays accounts.

*Lines are open 24 hours a day, 7 days a week
