

## This branch is closing – but we're still here to help

Our Babbacombe branch is closing  
on Friday 14 September 2018.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Babbacombe branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

**We contacted the following groups:**

**MP:**

Kevin Foster

**Local Council:**

Torbay Council - Councillor Neil Bent,  
Councillor Ray Hill

**Customers:**

A number of customers who regularly use the branch

**We asked each of the groups 3 questions – here's what they said:**

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

There were some concerns from the community about the potential impact the closure may have on the town. There were also concerns about the loss of the cash machine.

**We'd like to say:**

We understand the concerns about the closure – and we'd like to reassure everyone that before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and online or telephone banking.

To maintain a community focus and to ensure trade stays in the local area, we are explaining to customers how their everyday banking can be done at the Post Office in St Marychurch – it's open Monday to Friday between 8.30am and 5.30pm, and Saturday between 8.30am and 1pm. We've worked with staff at the Post Office and we're helping our customers understand which transactions they can do there, and offering them support through this transition.

We're sorry not to be able to leave the cash machine when the branch closes, however, there are alternative free to use cash machines nearby at TSB, Co-op and Sainsbury's which are all within 200 metres of the branch.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch – for example, those who find it hard to travel further and those who require accessibility. There were also some concerns for customers who prefer dealing with someone face to face.

#### We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through telephone banking. For those customers who prefer face-to-face interaction, we've made sure they are familiar with using the local Post Office for their everyday transactions.

For anyone who's able to travel, the nearest branches are in Torquay and Paignton. Both these branches have full accessibility and facilities to support customers. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles in our branch, to help customers adapt to new ways of banking – so they don't have to come into a branch as often.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who may have concerns about banking online.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including mobile and online banking – and telephone banking for those who prefer to speak to someone. The Post Office is also there for those who prefer face to face interaction.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs, as well as helping everyone remain vigilant against fraud. Additionally, we are working individually with customers showing them how to log in to telephone banking using voice biometrics to make it easier to access their accounts securely. Support is also available through our telephone and online services.

## Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN. Customers can also pay in cash using a pre-printed paying-in slip.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Babbacombe branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques or cash deposited using a pre-printed paying-in slip to reach your Barclays accounts.

\*Lines are open 24 hours a day, 7 days a week
