

This branch is closing – but we're still here to help

Our Cardiff Rumney branch is closing
on Friday 31 August 2018.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Cardiff Rumney branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

We contacted the following groups:

MP:

Stephen Doughty MP

AM

Vaughan Gething AM

Customers:

A number of customers who regularly use the branch

We asked each of the groups 3 questions – here's what they said:

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

Few concerns were raised about the closure, although there was some concern for our staff in the Cardiff Rumney branch and would they lose their jobs when the branch closes.

We'd like to say:

We'd like to reassure customers that all our staff who work in the Cardiff Rumney branch will be relocated after the branch closes. Customers will continue to see these staff members working at nearby branches.

In addition, we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

We have also explained to customers how they can do everyday banking at the Post Office in Rumney – it's open Monday to Friday from 9am to 5:30pm, Saturday from 9am to 4pm. We're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were some concerns about customers who depend on the branch – particularly those who may find it difficult to travel to a nearby branch.

We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person via Telephone Banking, and our Welsh speaking call centre for our customers who speak Welsh. We've made sure customers are familiar with using the services available at their local Post Office.

For anyone who's able to travel, the nearest branches are Roath Park and City of Cardiff. We understand it's not always convenient to travel, so we've been offering support from our Digital Eagles in our branch, to help customers adapt to new ways of banking – so that they don't have to come into a branch as often.

There are cash machines nearby, at Lloyds, HSBC and Sainsburys that are free to use.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers may need help getting used to new banking methods.

We'd like to say:

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've shown customers how to order cards and PINs, as well as helping everyone remain vigilant against fraud. Support is also available through our online and telephone services, including our Welsh speaking call centre.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN. Customers can also pay in cash using a pre-printed paying-in slip.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Cardiff Rumney branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques or cash deposited using a pre-printed paying-in slip to reach your Barclays accounts.

*Lines are open 24 hours a day, 7 days a week
