

## This branch is closing – but we're still here to help

Our Mitcham branch is closing  
on Wednesday 20 October 2021.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Mitcham branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**<sup>2</sup>.

Contacting Rebecca Hollands, your Market Director for South West London.

Email: [rebecca.hollands@barclays.com](mailto:rebecca.hollands@barclays.com)

We contacted the following groups:

**MP:**

Siobhan McDonagh

**Local council:**

Merton Borough Council – councillors  
Michael Brunt, Geraldine Stanford and Agatha  
Akyigyina OBE

**Community groups:**

Glebelands Care Home, Age UK and the  
Alzheimer's Society

**Customers:**

A number of customers who regularly use the  
branch.

We asked each of the groups 3 questions –  
here's what they said:

**In your opinion, what's the biggest effect that  
this branch closing will have on your local  
community?**

**You said to us:**

There were some concerns that the branch  
closure may have an impact on the way both  
businesses and personal customers can bank.  
There were concerns about the potential  
impact of having an empty building in the  
town, and the loss of the Barclays brand from  
the high street.

**We'd like to say:**

We understand the concerns about the  
closure – and we'd like to reassure everyone  
that, before deciding to close, we looked very  
carefully at how the branch is used. We've  
seen a general fall in customers coming to  
this branch, and many customers already use  
nearby branches and Online or Telephone  
Banking.

To keep a community focus and support the  
local area, everyday banking can be done at  
the Post Office in Mitcham – it's open Monday  
to Friday from 8:30am to 5:30pm, and on  
Saturday from 8:30am to 1pm. We're helping  
our customers understand which transactions  
they can do there, how to bank from home or  
their business premises, and offering them  
support through this transition.

There are cash machines nearby at Halifax,  
Lloyds and Morrisons – all are free to use.

We understand the concern from the  
community regarding the empty building and,  
as soon as we've left, we'll hand it over to our  
property agents who will work to find a new  
use for the property as soon as possible.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel or prefer banking face to face, and rely on branch staff to help them do their banking.

#### We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking, and making sure customers are familiar with the services available at their local Post Office in Mitcham, so that they can still continue to bank face to face.

For anyone who's able to travel, the nearest branches are in Tooting and Wimbledon. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles. They're helping customers adapt to new ways of banking so they don't need to use a branch as often.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online.

#### We'd like to say:

We've run virtual 'Tea and Teach' sessions to support and show customers other ways to bank, including how they can set up regular payments, and how to use the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud.

### Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Mitcham branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

Customers can withdraw cash at any cash machine displaying the LINK sign<sup>3</sup>

\*Lines are open 24 hours a day, 7 days a week
