

## This branch is closing – but we're still here to help

Our Castleford branch is closing  
on Tuesday 12 October 2021.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Castleford branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**<sup>2</sup>.

We contacted the following groups:

**MP:**

Yvette Cooper

**Local council:**

Wakefield Council – Councillor Denise Jeffery

**Community groups:**

Castleford Rugby League

**Customers:**

A number of customers who regularly use the branch

We asked each of the groups 3 questions – here's what they said:

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

There were some concerns that the branch closure may have an impact on the way both businesses and personal customers can bank. There were also concerns about the potential impact on the town, particularly the effect on local trade.

**We'd like to say:**

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and support the local area, everyday banking can be done at the Post Office in Castleford – it's open Monday to Friday from 9am to 5pm, and on Saturday from 9am to 2pm. We're helping our customers understand which transactions they can do there, how to bank from home or their business premises, and offering them support through this transition.

There are cash machines nearby at HSBC, Yorkshire Building Society and Halifax – all are free to use.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel or prefer banking face to face. Some customers, particularly the elderly, have built positive relationships with our colleagues in branch, and will miss coming in to see them.

#### We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking, and making sure customers are familiar with the services available at their local Post Office. We're working closely with the Post Office to look after anyone who's used to banking at the Castleford branch.

We're also contacting business customers to check they're happy with the alternative methods we've suggested, including Barclays Collect.

For anyone who's able to travel, the nearest branches are in Pontefract and Wakefield. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles. They're helping customers adapt to new ways of banking so they don't need to use a branch as often.

We'd like to reassure people that all our colleagues have been relocated and will be working at nearby branches.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online.

#### We'd like to say:

We've run individual 'Tea and Teach' sessions to show customers other ways to bank, including how they can set up regular payments, and how to use the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud.

We're exploring the possibility of our colleagues being present in the community after the branch closes to provide further support. As soon as we've confirmed the arrangements we'll share the details locally.

### Other things that could help
