

This branch is closing – but we're still here to help

Our Camberwell branch is closing
on Friday 30 July 2021.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Camberwell branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**².

Contacting Rebecca Hollands, your Market Director for South West London.

We contacted the following groups:

MP:

Harriet Harman

Local council:

Southwark Borough Council – councillors
Kieron Williams, Dora Dixon-Fyle MBE and
Tom Flynn

Customers:

A number of customers who regularly use the
branch

We asked each of the groups 3 questions –
here's what they said:

**In your opinion, what's the biggest effect that
this branch closing will have on your local
community?**

You said to us:

There were some concerns that the branch
closure may have an impact on the way both
businesses and personal customers can bank.
There were concerns about the loss of the cash
machine, as well as about the building being
left empty after we close.

We'd like to say:

We understand the concerns about the
closure – and we'd like to reassure everyone
that, before deciding to close, we looked very
carefully at how the branch is used. We've
seen a general fall in customers coming to
this branch, and many customers already use
nearby branches and Online or Telephone
Banking.

To keep a community focus and to ensure
trade stays in the local area, everyday banking
can be done at the Post Office in Camberwell
Green – it's open Monday to Friday between
9.30am and 3.30pm, and on Saturday between
9.30am and 12.30pm. We're helping our
customers understand which transactions they
can do there, how to bank from home or their
business premises and offering them support
through this transition.

There are cash machines nearby at Lloyds,
Morrisons and the Post Office – all are free
to use.

We understand the concern from the
community with regards to the premises. As
soon as we've vacated them, we'll hand them
over to our property agents – we hope they can
find a new use for them soon.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel.

We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're making sure customers are familiar with using their local Post Office, too.

For anyone who's able to travel, the nearest branches are in Walworth and Peckham. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking – so they don't need to use a branch as often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run virtual digital sessions to show customers other ways to bank, including how they can set up regular payments and how to use the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Camberwell branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

Customers can withdraw cash at any cash machine displaying the LINK sign³

*Lines are open 24 hours a day, 7 days a week
