

This branch is closing – but we’re still here to help

Our Eye branch is closing
on Friday 21 September 2018.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Eye branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Kathryn Kitson, your Community Banking Director for Norfolk & Suffolk.

Email: kathryn.kitson@barclays.com

We contacted the following groups:

MP:

Dr Daniel Poulter

Local council:

Suffolk County Council

Cllr Guy McGregor

Eye Town Council

Town Clerk Wendy Alcock

Customers:

A number of customers who regularly use the branch

We asked each of the groups 3 questions – here's what they said:

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

Barclays is the only bank in Eye, so there are some concerns that the closure may impact the way residents can carry out their everyday banking. There are also concerns about the effect the empty building may have on the high street.

We'd like to say:

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and online or telephone banking. We allowed for an extended closure notice period of 6 months to give customers a longer period to adjust.

To retain a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office in Eye – it's open Monday to Saturday between 6am and 10pm, and on Sunday between 7am and 10pm. We're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

Once we've vacated the premises, we'll hand them over to our property agents – we hope they can find a new use for them soon.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns about customers who depend on the branch to bank locally – some customers may find it difficult to travel to nearby branches.

We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through telephone banking. We've made sure customers are familiar with using their local Post Office, too.

For anyone who's able to travel, the nearest branches are in Diss and Harleston. However, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles in our branch, to help customers adapt to new ways of banking – so they don't have to come into a branch as often.

We are currently exploring how we can leave an ATM within the local community and will share details locally once confirmed. There are other cash machines nearby at Shell, Diss Station and Tesco – all are free to use.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including mobile and online banking – and telephone banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs, and we're helping everyone remain vigilant against fraud.

We understand 4G mobile coverage and free Wi-Fi in the town has been improved, which will help customers to bank online or on their smartphones.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN. Customers can also pay in cash using a pre-printed paying-in slip.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Eye branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques or cash deposited using a pre-printed paying-in slip to reach your Barclays accounts.

*Lines are open 24 hours a day, 7 days a week

Ways to bank

We want to make staying in control of your everyday banking as easy and convenient as possible. Over the years, we've introduced many ways you can bank without having to come into a branch.

Barclays Mobile Banking

Transfer money between accounts and keep a check on your balances. If you need to, you can call us directly from the app too. The Barclays Mobile Banking app is free to download from your app store¹.

Online Banking

Do all your everyday banking tasks from your home computer. We use the most advanced security systems to keep your details safe and our Online and Mobile Banking Guarantee protects you from fraud. To register, just call 0345 734 5345².

Telephone Banking

Available 24 hours a day, seven days a week. You can hear your balance, check transactions, pay bills and transfer money. You can speak to an adviser about your banking needs too. To register, just call 0345 734 5345².

Barclays Pingit

Sending money is secure and instant with no need to share bank account details. You're automatically protected in the event of fraud as long as you've used the services correctly. The Barclays Pingit app is free to download from your app store³.

The Post Office

All customers can pay cash in, withdraw cash and check balances using their Barclays debit card and PIN at thousands of Post Office branches across the country.

All customers can also pay cash and cheques into a Barclays account using a personalised paying-in slip. For cheques, you'll also need a cheque deposit envelope. You will need to allow two extra working days for cheques to reach your Barclays accounts.

Transaction charges for Business transactions will apply.

Link cash machines

Withdraw cash free of charge, check your balance and request a receipt at any cash machine displaying the Link sign. You can also print off a mini statement at Barclays cash machines.
