

## This branch is closing – but we're still here to help

Our North Chingford branch is closing  
on Friday 5 June 2020.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the North Chingford branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Jon Clowes, your Market Director for Local East.

**We contacted the following groups:**

**MP:**

Sir Iain Duncan Smith

**Local council:**

Waltham Forest Council - Cllr Kay Isa

**Customers:**

A number of customers who regularly use the branch

**Please note:**

A number of our branches have changed their regular opening hours, or have temporarily closed, because of the coronavirus outbreak. One of those branches we've closed temporarily is the North Chingford branch and we're sorry for the inconvenience. You can still get in contact with us – see page 2 for further information

**We asked each of the groups 3 questions – here's what they said:**

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

There were some concerns that local businesses may suffer as less people may visit the area.

**We'd like to say:**

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office on Station Road, in Chingford – it's open Monday to Friday between 9am and 5.30pm, and on Saturday between 9am and 2.30pm. We're working with staff at the Post Office and we're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

There are cash machines nearby at Tesco, Co-op and NatWest – all are free to use.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch - for example those who find it difficult to travel and may be concerned about their safety whilst travelling and also that queues at nearby branches may be longer.

#### We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're also making sure customers are familiar with using their local Post Office, too.

We are monitoring waiting times at the nearby branches and the staff members from North Chingford will strengthen the service.

For anyone who's able to travel, there's a branch in South Chingford, and another at Ponders End. However, we understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking. This means they don't have to come into a branch as often and can continue to bank when the nearest branch isn't open.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who may not want to bank online.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs, and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

### Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – please call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

\*Lines are open 24 hours a day, 7 days a week
