

This branch is closing – but we're still here to help

Our St Ives branch is closing
on Friday 14 January 2022.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the St Ives branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**².

Contacting Anthony Ridge, your Market Director for Cambridgeshire.

We contacted the following groups:

MP:

Jonathan Djanogly

Local Council:

Huntingdonshire District Council – councillors
Angie Dickinson and Rianna D'Souza

Customers:

A number of customers who regularly use the
branch

**We asked each of the groups 3 questions –
here's what they said:**

**In your opinion, what's the biggest effect that
this branch closing will have on your local
community?**

You said to us:

There were some concerns that the branch
closure may have an impact on the way both
businesses and personal customers can bank.

We'd like to say:

We understand the concerns about the
closure – and we'd like to reassure everyone
that, before deciding to close, we looked very
carefully at how the branch is used. We've
seen a general fall in customers coming to
this branch, and many customers already use
nearby branches and Online or Telephone
Banking.

To keep a community focus and support the
local area, everyday banking can be done at
the Post Office in St Ives – it's open Monday
to Friday from 8am to 6pm, and Saturday
from 8:30am to 5:30pm. We're helping our
customers understand which transactions they
can do there, how to bank from home or their
business premises, and offering them support
through this transition.

There are cash machines nearby at Nationwide,
HSBC and Lloyds – all are free to use.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel or prefer banking face to face.

We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking, and making sure customers are familiar with the services available at their local Post Office.

For anyone who's able to travel, the nearest branches are in Huntingdon and Histon. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles. They're helping customers adapt to new ways of banking so they don't need to use a branch as often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online.

We'd like to say:

We've run individual 'Tea and Teach' sessions to show customers other ways to bank, including how they can set up regular payments, and how to use the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the St Ives branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

Customers can withdraw cash at any cash machine displaying the LINK sign³

*Lines are open 24 hours a day, 7 days a week
