

This branch is closing – but we're still here to help

Our Wrexham Industrial Estate branch is closing
on Friday 26 February 2021.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Wrexham Industrial Estate branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**².

We contacted the following groups:

MP:

Sarah Atherton

Local council:

Welsh Assembly Member - Lesley Griffiths
Wrexham County Borough Council – councillor
Mark Pritchard

Customers:

A number of customers who regularly use the branch

We asked each of the groups 3 questions – here's what they said:

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There were some concerns that the branch closure may have an impact on the way both businesses and personal customers can bank, particularly as it's conveniently located in the Industrial Park.

We'd like to say:

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office in Pentre Maelor – it's open Monday to Friday between 8.30am and 3pm. We're helping our customers understand which transactions they can do there, how to bank from home or their business premises and offering them support through this transition.

There are free to use cash machines at both the Co-ops in Bedwell Road and Prince Charles Road and also Williams Convenience Store.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns about customers who depend on the branch – particularly businesses that will potentially need to travel further to bank. The branch offers customer parking, and there were concerns that customers may find it difficult to park at branches that are further away.

We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking or there's a Welsh-speaking call centre for those who speak Welsh.

We're making sure customers are familiar with the services available at the Post Office, and the local one at Pentre Maelor is less than a mile from the branch. We're also working with the local Post Office staff to ensure they're ready for the extra demand when our branch closes

We're speaking to our business customers about other ways to withdraw and pay in cash, including Barclays Collect, our cash collection service, and the services available to them at the Post Office.

For anyone who's able to travel, the nearest branches are in Wrexham and Chester. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking – so they don't need to use a branch as often.

Although there are no customer parking facilities at the Wrexham and Chester branches there are public car parks nearby.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've had individual and small group 'Tea and Teach' conversations to show customers other ways to bank, and to help them feel more confident with using Online Banking or the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Wrexham Industrial Estate branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

Customers can withdraw cash at any cash machine displaying the LINK sign³

*Lines are open 24 hours a day, 7 days a week
