

This branch is closing – but we're still here to help

Our Southampton Shirley branch is closing
on Friday 9 July 2021.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Southampton Shirley branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**².

We contacted the following groups:

MP:

Dr Alan Whitehead

Local council:

Southampton City Council – councillors Satvir Kaur, Hannah Coombs and Mark Chaloner

Customers:

A number of customers who regularly use the branch

We asked each of the groups 3 questions – here's what they said:

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There were some concerns that the branch closure may have an impact on the way both businesses and personal customers can bank. The closure of the branch means that there will be fewer banks in the town, which lessens the convenience for residents, and there were also concerns about the potential impact of having empty premises in the town.

We'd like to say:

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking. We understand the concern from the community regarding the premises and, as soon as we've vacated them, we'll hand them over to our property agents.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office in Shirley – it's open Monday to Friday between 9am and 5.30pm, and on Saturday between 9am and 1pm. We're helping our customers understand which transactions they can do there, how to bank from home or their business premises and offering them support through this transition.

There are cash machines nearby at Halifax and Nationwide – both are free to use.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel, vulnerable and elderly customers who don't feel comfortable with Online Banking. The branch offers customer parking, and there were concerns that customers may find it difficult to park at branches that are further away.

We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're making sure customers are familiar with using their local Post Office, too, particularly those who prefer to bank face-to-face.

For anyone who's able to travel, the nearest branches are in Southampton Above Bar and Totton. Although there are no parking facilities at the Southampton Above Bar branch there are public car parks nearby. Our branch in Totton, although further away, has free car parking at the War Memorial and Testvale Car Parks. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking – so they don't need to use a branch as often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone. We're working closely with the nearby Post Office to look after both customers and non-customers who've previously relied on the branch.

We've run individual 'Tea and Teach' sessions to show customers other ways to bank, including how they can set up regular payments and how to use the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Southampton Shirley branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

Customers can withdraw cash at any cash machine displaying the LINK sign³

*Lines are open 24 hours a day, 7 days a week
