Reasons for closure, and alternative ways to bank

This branch is closing – but your bank is always open

This first booklet will help you understand why we've made the decision to close this branch. It also sets out the banking services and support that will be available to you after this branch has closed.

In a second booklet, which will be available from the branch prior to it closing or online at home.barclays/ukbranchclosures, we'll share concerns and feedback from the local community. We'll also detail how we are helping people transition from using the branch with alternative ways to carry out their banking requirements.

Here are the main reasons why the Tilehurst branch is closing:

- The number of transactions has gone down in the previous 24 months, and additionally 85% of our branch customers also use other ways to do their banking such as online and by telephone.
- Customers using other ways to do their banking has increased by 23% since 2012.
- In the past 12 months, 52% of this branch's customers have been using neighbouring branches.
- We've identified that only 141 customers use this branch exclusively for their banking

Proposals to close any branch are made by the Barclays local leadership teams and verified at a national level ahead of any closure announcement. If you have any questions and concerns about these changes then please feel free to get in touch with Adrian Davies, your Market Director for Local West.

How banking is changing

Many customers are choosing to bank differently, and these changes inform our decisions

We've identified that only 141 regular customers use this branch exclusively for their banking

How this branch is used

Before we make the decision to close any branch, we think carefully about how it has been used so far. We consider how many customers have been visiting, what kind of transactions they've been making, and all the other ways they've been choosing to bank with us. We also take into consideration the availability of other branches in the wider community.

Ways to bank

We want to make staying in control of your everyday banking as easy and convenient as possible. Over the years, we've introduced many ways you can bank without having to come into a branch.

The Barclays app

Transfer money between accounts and keep a check on your balances. If you need to, you can call us directly from the app too. The Barclays app is free to download from your app store¹.

Online Banking

Do all your everyday banking tasks from your home computer. We use the most advanced security systems to keep your details safe and our Online and Mobile Banking Guarantee protects you from fraud. To register, just call 0345 734 5345².

Telephone Banking

Available 24 hours a day, seven days a week. You can hear your balance, check transactions, pay bills and transfer money. You can speak to an adviser about your banking needs too. To register, just call 0345 734 5345².

Pingit

Sending money in an instant with no need to share bank account details. You're automatically protected in the event of fraud as long as you've used the services correctly. The Pingit app is free to download from your app store³.

The Post Office

All customers can withdraw or pay in cash and check balances using their Barclays debit card and PIN at thousands of Post Office branches across the country.

All customers can also pay cheques into a Barclays account using a personalised paying-in slip and a cheque deposit envelope. You will need to allow two extra working days for cheques to reach your Barclays accounts using the Post Office.

Transaction charges for Business transactions will apply.

LINK cash machines

Withdraw cash, check your balance and request a receipt at any cash machine displaying the LINK sign⁴. You can also print off a mini statement at Barclays cash machines.

If you would like more information or help with any of the different ways you can bank with us, please speak to someone in branch or visit barclays.co.uk/ways-to-bank If you're a business customer then visit barclays.co.uk/business-banking/ways-to-bank
