

## This branch is closing – but we're still here to help

Our Alfreton branch is closing  
on Friday 26 August 2022.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Alfreton branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches, or over the phone on **0345 7 345 345**<sup>2</sup>.

### We contacted the following groups:

**MP:**

Nigel Mills

**Local council:**

Amber Valley Borough Council - councillors  
Christian Dale, Gail Dolman, Steve Marshall-  
Clarke

**Customers:**

A number of customers who regularly use the  
branch

### We asked each of the groups 3 questions – here's what they said:

**In your opinion, what's the biggest effect that  
this branch closing will have on your local  
community?**

**You said to us:**

There were some concerns that the branch  
closure may have an impact on the way both  
businesses and personal customers can bank.

**We'd like to say:**

We understand the concerns about the  
closure – and we'd like to reassure everyone  
that, before deciding to close, we looked very  
carefully at how the branch is used. We've  
seen a general fall in customers coming to  
this branch, and many customers already use  
nearby branches and Online or Telephone  
Banking.

We'll also be available in the community after  
the branch closes, to offer further support to  
our customers. We'll be at The Library, Severn  
Square, Alfreton DE55 7BQ from 1 September  
on Thursday and Friday from 10:00am to  
4:00pm\*, walk in appointments may be  
available, or to make an appointment visit  
[barclays.co.uk/local](https://www.barclays.co.uk/local)

To keep a community focus and support the  
local area, everyday banking can be done at the  
Post Office in Alfreton – it's open Monday to  
Friday from 9am to 5:30pm, and on Saturday  
from 9am to 1pm. We're helping our customers  
understand which transactions they can do  
there, how to bank from home or their business  
premises, and offering them support through  
this transition.

There are cash machines nearby at Nationwide,  
Lloyds and Home Bargains – all are free to use.

\* There is no counter or cash facilities  
available at this site. For cash services in your  
community visit [link.co.uk/consumers/  
locator/](https://www.link.co.uk/consumers/locator/)

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel or prefer banking face to face. There were also concerns from customers with mobility issues, and how they will adjust to new banking methods.

#### We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking, and making sure customers are familiar with the services available at their local Post Office.

For anyone who's able to travel, the nearest branches are in Mansfield and Derby. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles. They're helping customers adapt to new ways of banking so they don't need to use a branch as often.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online.

#### We'd like to say:

We've run individual 'Tea and Teach' sessions to show customers other ways to bank, including how they can set up regular payments, and how to use the Barclays app on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud.

We'll be hosting digital walk-in days at Alfreton Library on Monday 1 and Tuesday 2 September.

### Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Alfreton branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

\*Lines are open 24 hours a day, 7 days a week
