

## This branch is closing – but we're still here to help

Our Bridport branch is closing  
on Friday 29 March 2019.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Bridport branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](http://barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

Contacting Chris Maynard, your Community Banking Director for Solent & Dorset.

Email: [Christopher.Maynard@barclayscorp.com](mailto:Christopher.Maynard@barclayscorp.com)

We contacted the following groups:

**MP:**

Oliver Letwin

**Local council:**

Bridport Town Council, Town Clerk Will Austin,  
Office Manager Paul Fuszard, Mayor Barry  
Irvine

**Customers:**

A number of customers who regularly use the  
branch

We asked each of the groups 3 questions –  
here's what they said:

**In your opinion, what's the biggest effect that  
this branch closing will have on your local  
community?**

**You said to us:**

There were some concerns that the branch  
closure may have an impact on the way both  
businesses and personal customers can  
bank, especially as some alternative means  
of banking may be difficult due to lack of  
broadband access in some local villages.

**We'd like to say:**

We understand the concerns about the  
closure – and we'd like to reassure everyone  
that, before deciding to close, we looked very  
carefully at how the branch is used. We've  
seen a general fall in customers coming to  
this branch, and many customers already use  
nearby branches and Online or Telephone  
Banking.

We're explaining to our customers how their  
everyday banking can be done at the Post  
Office in Bridport – it's open Monday to Friday  
between 8.30am and 6pm, and Saturday  
between 9am and 4pm. We're working with  
staff at the Post Office and we're helping our  
customers understand which transactions  
they can do there, how to bank from home and  
offering them support through this transition.

There are free to use cash machines nearby at  
NatWest, HSBC and TSB – all are within 200  
metres of the branch.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns that some customers may have to rely on public transport to travel to a nearby branch, although there may not be a direct bus route and alternatives are further away. There were also concerns about business customers who rely on there being a branch in town, particularly for cash transactions.

#### We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're also making sure our customers are familiar with using their local Post Office, too.

We're working with our business customers to ensure they have alternative arrangements in place, including the use of Barclays Collect service to pick up cash or paying in cheques using Barclays Mobile Banking or at the Post Office.

For anyone who's able to travel, there's a branch in Dorchester, and another in Chard. However, we understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking. This means they don't have to come into a branch as often and can continue to bank when the nearest branch isn't open.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who may not want to bank online.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs, and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

## Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN. Customers can also pay in cash using a pre-printed paying-in slip.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Bridport branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques or cash deposited using a pre-printed paying-in slip to reach your Barclays accounts.

\*Lines are open 24 hours a day, 7 days a week
