

This branch is closing – but we're still here to help

Our Milford Haven branch is closing
on Friday 12 July 2019.

Branch closure feedback, and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Milford Haven branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**². You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

Speaking to us in any of our nearby branches

We contacted the following groups:

MP:

Stephen Crabb

AM:

Paul Davies

Local council:

Milford Haven Town Council

Customers:

A number of customers who regularly use the branch

We asked each of the groups 3 questions – here's what they said:

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There were some concerns that another bank will be leaving the high street, and the potential impact this may have on the local community. There were concerns about how customers will be able to continue to do their banking as internet speeds in some areas might be too slow to allow for easy digital banking.

We'd like to say:

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

We are explaining to customers how their everyday banking can be done at the Post Office in Milford Haven – it's open Monday to Friday between 7:30am and 7:30pm, on Saturday between 9am and 7pm, and on Sunday between 9am and 8pm. We're working with the staff at the Post Office and we're helping our customers understand which transactions they can do there, as well as how to bank from home and offering them support through this transition. There is Telephone Banking if customers prefer to speak to someone, or if their broadband is slow.

There are free to use cash machines nearby at Milford News, the Post Office and Nationwide.

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There were concerns that elderly customers and local business customers might be impacted.

We'd like to say:

We're speaking individually to those customers who are most likely to be affected by the closure, and we're helping them feel more confident with alternative ways to bank. This includes telephone banking and our Welsh speaking call centre for our customers who speak Welsh.

We're also making sure our customers are familiar with using their local Post Office, too, so they do not have to travel far to undertake their everyday banking and we're accompanying them to the Post Office if they're happy for us to do so.

We're working with business customers to make sure they have alternative arrangements, including the use of Barclays Collect service to pick up cash, where appropriate.

For anyone who's able to travel, there's a branch in Haverfordwest and another in Tenby. However, we understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who may find it difficult to bank online.

We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs, and we're helping everyone remain vigilant against fraud. Support is also available through our telephone and online services.

Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Milford Haven branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091*

Please allow an extra 2 days for cheques deposited using a pre-printed paying-in slip to reach your Barclays accounts.

*Lines are open 24 hours a day, 7 days a week
