Branch closure feedback and alternative ways to bank

Sharing branch closure feedback

We're now nearing the closure of the Horwich branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

We contacted the following groups:

MP

Chris Green

Local Council

Assistant Town Clerk Chloe Morris

Customers

A number of customers who regularly use the branch

We asked all of the groups to answer three questions. You'll find their responses below.

In your opinion, what's the biggest effect that this branch closing will have on your local community?

You said to us:

There are some concerns that the branch closure will have an impact on the local community.

We'd like to say

We understand the concerns about the closure and we'd like to reassure the community that, before deciding to close, we looked very carefully at how the branch is used. Many customers already use nearby branches and Online or Telephone Banking and we've seen a general fall in customers coming to our branch.

To keep a community focus and ensure trade stays in the local area, everyday banking can be done at the Post Office in Horwich which is open Monday to Friday, between 9.00am and 5.30pm and Saturday between 9.00am and 12.30pm. We're also helping customers to understand the transactions they can do there and how they can do their banking from home too.

There are free cash machines nearby at the Post Office, Co-op and TSB..

What's the biggest effect that this branch closing will have on customers of the branch?

You said to us:

There are concerns about customers who may depend on the branch – for example, elderly customers and people who may find it hard to travel further.

We'd like to say

We're speaking individually with customers most likely to be affected by the closure and we're helping them with alternative ways to do their banking. This includes Telephone Banking to speak to someone in person. We've made sure they're familiar with the Post Office arrangement, too.

For those who are able to travel, their nearest branches are Westhoughton and Bolton, however, we understand it's not always convenient to travel, so we've been offering support from our Digital Eagles to help customers adapt to new ways of banking that mean they don't have to come into the branch as often.

What alternative ways to bank do you believe would help people adapt to the change?

You said to us:

The closure means customers will need help getting used to new banking methods, particularly those of who are concerned about banking online and may need face-to-face interaction.

We'd like to say

We're encouraging everyone to do their everyday banking in other ways, including mobile and Online Banking – and Telephone Banking for those who prefer to speak to someone. We've run 'Tea and Teach' events at the branch to show customers other ways to bank, as well as how to set up regular payments, order cards and PINs and how to use Pingit or Barclays Mobile Banking. Support is also available through our telephony and website services.

There are a number of free cash machines in the community, and the local Post Office is available for everyday banking transactions.

Other things to help with the change...

At the Post Office customers can withdraw cash, pay in cash and check balances using a debit card and pin. Customers can also pay in cash using a pre-printed paying in slip.

Both business and personal customers can pay in cheques. You'll need:

1. a pre-printed paying-in slip. You'll find these in your cheque book, or you can order them at any branch
2. a paying-in envelope. We have extra stock in the Horwich branch, so please call in before the closure to pick some up. Otherwise, just call **0800 169 3091** for these, and we'll pop some in the post.

You will need to allow an extra two days for cheques to reach your Barclays accounts.
