

## This branch is closing – but we're still here to help

Our Old Welwyn branch is closing  
on Friday 29 March 2019.

Branch closure feedback, and alternative ways to bank

## Sharing branch closure feedback

We're now nearing the closure of the Old Welwyn branch of Barclays. Our first booklet explained why the branch is closing, and gave information on other banking services that we hope will be convenient for you.

We do understand that the decision to close a branch affects different communities in different ways, so we've spoken to people in your community to listen to their concerns. We wanted to find out how your community, and particular groups within it, could be affected when the branch closes, and what we could do to help people through the transition from using the branch with alternative ways to carry out their banking requirements.

There are still many ways to do your banking, including in person at another nearby branch, at your local Post Office or over the phone on **0345 7 345 345**<sup>2</sup>. You can also go online to [barclays.co.uk/waystobank](https://www.barclays.co.uk/waystobank) to learn about your other options. Read more about this on page 6.

If you still have any questions or concerns about these changes, now or in the future, then please feel free to get in touch with us by:

**We contacted the following groups:**

**MP:**

Grant Shapps

**Local council:**

Councillor Julie Cragg

Welwyn Parish Council Clerk, Louise Harrison

**Customers:**

A number of customers who regularly use the branch

**We asked each of the groups 3 questions – here's what they said:**

**In your opinion, what's the biggest effect that this branch closing will have on your local community?**

**You said to us:**

As Barclays is the only bank in Old Welwyn, there are some concerns about the potential impact of the closure on the town, surrounding businesses and local trade. There are also concerns about losing the branch's defibrillator and cash machine – as well as the reliability of other cash machines in the community.

**We'd like to say:**

We understand the concerns about the closure – and we'd like to reassure everyone that, before deciding to close, we looked very carefully at how the branch is used. We've seen a general fall in customers coming to this branch, and many customers already use nearby branches and Online or Telephone Banking.

To keep a community focus and to ensure trade stays in the local area, everyday banking can be done at the Post Office in Welwyn – it's open Monday, Tuesday, Friday and Saturday between 9am and 5.30pm, Wednesday between 9am and 1pm, Thursday between 9am and 6pm, and Sunday between 10am and 2pm. We're helping our customers understand which transactions they can do there, how to bank from home and offering them support through this transition.

There are cash machines nearby at BP, Co-op and Tesco – all are free to use.

We're currently looking for a new site for the defibrillator, and will reinstall it when we've found a location in Old Welwyn.

### What's the biggest effect that this branch closing will have on customers of the branch?

#### You said to us:

There were concerns about customers who depend on the branch – for example, those who find it difficult to travel. There is also concern that the Post Office may find it difficult to cope with the extra demand, and may close in the near future.

#### We'd like to say:

We're speaking individually to those customers most likely to be affected by the closure, and we're helping them feel confident with alternative ways to bank. This includes speaking to someone in person through Telephone Banking. We're making sure customers are familiar with using their local Post Office, and we're working with the staff there to ensure they're ready for the extra demand when our branch closes.

For anyone who's able to travel, the nearest branches are in Welwyn Garden City and Hatfield. We understand it's not always convenient to travel, so we've been offering support from our branch's Digital Eagles, to help customers adapt to new ways of banking – so they don't need to use a branch as often.

### What alternative ways to bank do you believe would help people adapt to the change?

#### You said to us:

The closure means customers will need help getting used to new banking methods, particularly those who are concerned about banking online and may prefer dealing with someone face to face.

#### We'd like to say:

We're encouraging customers to do their everyday banking in other ways, including Mobile and Online Banking – there's the Post Office and Telephone Banking for those who prefer to speak to someone.

We've run 'Tea and Teach' events at the branch to show customers other ways to bank, including how they can set up regular payments, and how to use Pingit or Barclays Mobile Banking on their mobile phones. We've also shown customers how to order cards and PINs and we're helping everyone remain vigilant against fraud. Support is available through our telephone and online services, too.

We're exploring the possibility of our staff being present within the community for a period of time after the branch closes to provide further support. Once we've confirmed the arrangements we'll share the details locally.

## Other things that could help

Banking at the Post Office is available to both personal and business customers – where they can withdraw and pay in cash, and check their balances using a debit card and PIN. Customers can also pay in cash using a pre-printed paying-in slip.

Cheques can be deposited at the Post Office – customers will need a pre-printed paying-in slip, along with a cheque deposit envelope.

- Cheque deposit envelopes – we have supplies of envelopes in the Old Welwyn branch, so please visit us before it closes to pick some up. Otherwise, call us on 0800 169 3091\* and we'll pop some in the post
- Pre-printed paying-in slips – are at the back of a Barclays cheque book. They can also be ordered at any branch or by calling 0800 169 3091\*

Please allow an extra 2 days for cheques or cash deposited using a pre-printed paying-in slip to reach your Barclays accounts.

\*Lines are open 24 hours a day, 7 days a week
