On 17th September, 2008, the Board of Directors of the Company (the "**Board**") announced that the Group had agreed, subject to US Court and relevant regulatory approvals, to acquire

Following receipt on 19th September, 2008 of approval from the United States Bankruptcy court for the Southern District of New York, on 22nd September, 2008 the Group completed such acquisition. Recent developments

UK Government measures concerning its financial support to the banking sector

On 8th October, 2008 and 13th October, 2008 the UK Government announced a package of measures and schemes designed to provide financial support to the banking industry. Barclays has participated and continues to participate in certain of these schemes, including the credit guarantee scheme. Following these UK Government announcements, the Group conducted the Capital Raising described in more detail below.

On 19th January, 2009 the UK Government announced a further package of measures and schemes designed to inject liquidity in the UK economy and restore confidence in the financial system. These include, among others, the extension of the credit guarantee scheme and the implementation of an asset protection scheme to protect participating banks from credit losses, beyond and up to an agreed point, on eligible assets placed within the scheme. The FSA also published considerations relating to appropriate long-term changes to the bank capital regulatory framework, including a programme of work to reduce the requirement for additional capital resulting from the pro-cyclical effects of the International Basel Accord and a preference for the capital regime to incorporate counter-cyclical measures which would lead to banks building up capital buffers in good years which can be drawn down during economic downturns. However, this continues to be a supervisory framework and not a new set of rules.

The Capital Raising

On 31st October, 2008, the Board made an announcement of a proposal to raise more than £7 billion of additional capital (the "**Capital Raising**") from existing and new strategic and

institutional investors. The Capital Raising satisfied the target capital levels agreed with the FSA.

The Capital Raising includes:

- An issue of £3 billion of Reserve Capital Instruments (the "**RCIs**") by the Bank to Qatar Holding LLC and entities representing the beneficial interests of HH Sheikh Mansour Bin Zayed Al Nahyan, a member of the Royal Family of Abu Dhabi ("**HH Sheikh Mansour Bin Zayed Al Nahyan**"). The RCIs will pay an annual coupon of 14 per cent. until June 2019. In conjunction with this issue, Qatar Holding LLC and HH Sheikh Mansour Bin Zayed Al Nahyan have also subscribed (for a nominal consideration) for warrants (the "**Warrants**") to subscribe at their option for up to 1,516,875,236 new ordinary shares of the Company with an exercise price of 197.775 pence per share or £3 billion in aggregate, representing 18.1 per cent. of the existing issued ordinary share capital. The Warrants are exercisable at any time for a five-year term from the date of issue of the RCIs until 31st October, 2013.
- An issue of £2.8 billion of Mandatorily Convertible Notes (the "**MCNs**") by the Bank to Qatar Holding LLC, Challenger Universal Limited (a company representing the beneficial interests of His Excellency Sheikh Hamad Bin Jassim Bin Jabr Al-Thani, the chairman of Qatar Holding LLC, and his family) ("**Challenger**") and HH Sheikh Mansour Bin Zayed Al Nahyan, and a further issue of £1.25 billion of MCNs to existing institutional shareholders and other institutional investors by way of an accelerated non-underwritten bookbuild placing implemented on 31st October, 2008. The MCNs will pay an annual coupon of 9.75 per cent. until conversion into Barclays PLC ordinary shares, which will occur on or before 30th June, 2009. Conversion will result in the issue of 2,642,292,334 new Barclays PLC ordinary shares, representing 31.6 per cent. of the existing issued ordinary share capital. The conversion price for the MCNs is 153.276 pence, a discount of 22.5 per cent. of the average closing middle market quotations of a Barclays PLC ordinary share as derived from the Daily Official List on 29th and 30th October, 2008.
- Ordinary shares to be issued upon conversion of the MCNs and, as the case may be, exercise of the Warrants will increase Barclays equity Tier 1 ratio. The equity component of the proceeds from the RCIs and Warrants, representing the fair value of the Warrants, will be included in equity Tier 1 capital and the debt component of the proceeds of the RCIs and the Warrants will be included as innovative Tier 1 capital to the extent it is within the innovative Tier 1 allowance as defined by the FSA.

Qatar Holding LLC agreed to invest £500 million in MCNs and £1.5 billion in RCIs, and subscribed for Warrants to purchase up to £1.5 billion of Barclays PLC ordinary shares. Challenger agreed to invest £300 million in the MCNs. Assuming the conversion of their MCNs and the full exercise of their Warrants, Qatar Holding LLC would hold approximately 1,607 million ordinary shares, representing 12.8 per cent. of the fully diluted share capital of the Company and Challenger would hold approximately 354 million ordinary shares, representing 2.8 per cent. of the fully diluted share capital of the Company. In addition to any other fees and commissions payable in connection with the issue of the securities, Qatar Holding LLC will receive a fee of £66 million for having arranged certain of the subscriptions in the Capital Raising.

HH Sheikh Mansour Bin Zayed Al Nahyan agreed to invest £2 billion in the MCNs and £1.5 billion in RCIs, and subscribed for Warrants to purchase up to £1.5 billion of Barclays PLC ordinary shares.

Assuming the conversion of his MCNs and the full exercise of his Warrants, HH Sheikh Mansour Bin Zayed Al Nahyan would be beneficially entitled to approximately 2,063 million ordinary shares, representing 16.5 per cent. of the fully diluted share capital of the Company. HH Sheikh Mansour Bin Zayed Al Nahyan has arranged for his investment in the Warrants, the MCNs and the RCIs to be funded by an Abu Dhabi governmental investment vehicle, which will become the indirect shareholder of the entities which are subscribing for the Warrants, the MCNs and the RCIs.

On 18th November, 2008, the Board announced that Qatar Holding LLC and HH Sheikh Mansour Bin Zayed Al Nahyan had each offered to make available up to £250 million of RCIs for clawback by existing Barclays institutional investors at par. By consequence £500 million of RCIs (excluding Warrants) were placed with Barclays institutional investors by way of a bookbuild placing on 18th November, 2008.

In addition, the Board also announced that:

- all members of the Board will exceptionally offer themselves for re-election at the Barclays Annual General Meeting to be held in April 2009; and
- no annual bonuses will be paid to executive directors of the Company for 2008, following the offer by the executive directors to waive any annual bonus for 2008.

The necessary shareholder resolutions required in order to effect the Capital Raising were passed by the shareholders of the Company on 24th November, 2008.

Dividend policy

On 13th October, 2008 the Company announced that its Board would not be recommending the payment of a final dividend on the Company's ordinary shares for 2008. This dividend, amounting to c.£2 billion, would otherwise have been payable in April 2009. The Company intends to resume dividend payments on its ordinary shares in the second half of 2009.

The Placing

On 18th September, 2008, the Board announced the completion of a placing. A total of 226 million new Barclays PLC ordinary shares of 25 pence each (the "**Placing Shares**") issued by the Company were placed with certain institutions at a price of 310 pence per Placing Share. Based on the placing price, the gross proceeds were £701 million.

The Firm Placing and Placing and Open Offer

On 25th June, 2008, the Company announced a share issue to raise approximately £4.5 billion through the issue of 1,576 million new Barclays PLC ordinary shares (the "**Firm Placing and Placing and Open Offer**"). The Firm Placing and Placing and Open Offer includes:

- approximately £500 million raised through a firm placing of 169 million new Barclays PLC ordinary shares at 296 pence per new Barclays PLC ordinary share to Sumitomo Mitsui Banking Corporation;
- approximately £4.0 billion raised through a placing of 1,407 million new Barclays PLC ordinary shares at 282 pence per new Barclays PLC ordinary share to Qatar Investment Authority, Challenger, China Development Bank, Temasek Holdings (Private) Limited and certain leading institutional shareholders and other investors, which shares were available for clawback in full by means of an open offer to existing shareholders.

Pursuant to such open offer, existing shareholders were offered the opportunity to subscribe for up to a maximum of their pro rata entitlement on the basis of three open offer shares for every 14 existing ordinary shares they held.

The firm placing of 169 million new Barclays PLC ordinary shares was completed on 4th July, 2008 and the placing and open offer was completed on 22nd July, 2008. Valid applications under the open offer were received from qualifying shareholders in respect of approximately 267 million Barclays PLC shares in aggregate, representing 19.0 per cent. of the Barclays PLC shares offered pursuant to the open offer. Accordingly, the remaining 1,140,310,966 Barclays PLC shares were allocated to the various investors with whom they had been conditionally placed.

Other

On 8th July, 2008, the Group announced it would close its FirstPlus unit to new business in August 2008."
