

**Barclays Bank Ireland PLC**

**Pillar 3 Terms and Conditions of own funds and eligible liabilities**

**31 December 2020**

## Supplement to the Barclays Bank Ireland PLC Pillar 3 Report 2020

### Introductory notes

This worksheet complements the Barclays Bank Ireland PLC Pillar 3 Report 2020, available from [home.barclays/investor-relations/reports-and-events/annual-reports/](https://home.barclays/investor-relations/reports-and-events/annual-reports/)

The information disclosed in this report is prepared in accordance with the Capital Requirements Regulation and Capital Requirements Directive (CRR and CRD, also known as the 'CRD IV legislative package'). On 27 June 2019, CRR II came into force amending CRR. As an amending regulation, the existing provisions of CRR apply unless they are amended by CRR II. The amendments largely take effect and are phased in from 28 June 2021 with a number of exceptions, primarily relating to amendments to own funds and the introduction of requirements for own funds and eligible liabilities (MREL), which are implemented with immediate effect. Certain provisions took immediate effect and these primarily relate to MREL. Other CRR II amendments took effect from 28 June 2021.

The Pillar 3 disclosures have also been prepared in accordance with the EBA "Guidelines on materiality, proprietary and confidentiality and on disclosure frequency under Articles 432(1), 432(2) and 433 of CRR" and EBA "Guidelines on disclosure requirements under Part Eight of Regulation (EU) No 575/2013", as amended by Regulation (EU) 2019/876, in effect at the reporting date, using the uniform format set out in the BCBS standard on Pillar 3 disclosure requirements, as the EU format for disclosure is yet to be agreed. Certain aspects of CRR II are dependent on final technical standards to be issued by the European Banking Authority (EBA) and adopted by the European.

The disclosures reflect Barclays Bank Ireland PLC's interpretation of the current rules and guidance. The abbreviations '€m' and '€bn' represent millions and thousands of millions of Euros respectively. There are a number of key judgement areas, for example impairment calculations, which are based on models and which are subject to ongoing adjustment and modifications. Reported numbers reflect best estimates and judgements at the given point in time. Relevant terms that are used in this document but are not defined under applicable regulatory guidance or International Financial Reporting Standards (IFRS) are explained in the results glossary that can be accessed at [home.barclays/investor-relations/reports-and-events/annual-reports/](https://home.barclays/investor-relations/reports-and-events/annual-reports/)
